

Faversham Rewards is managed by the Faversham Enterprise Partnership in partnership with Savvy UK Limited and supported by the South East of England Development Agency, Kent Rural Towns, Kent County Council, Faversham Town Council and Swale Borough Council.

By promoting Faversham Rewards, neither the Faversham Enterprise Partnership nor any of its partners are endorsing a particular company or product or offering any assurances as to quality of goods and services.

While it is intended Faversham Rewards will operate for the foreseeable future, reward cards will initially be valid until March 2011. If the scheme carries on running after this date, your card will continue to be valid.

more for you

**A new way to buy locally
and save money**

Welcome to Faversham Rewards, the brand new loyalty scheme that gives you more every time you use a local shop or business that is a member of the initiative.

Each time you use your Faversham Rewards card you earn points that count towards special offers available at the outlet you used. Just one card gives you automatic access to the different offers available from participating outlets.

The first of its type in Kent, Faversham Rewards uses smart card technology to hold information on how many points you have earned with each of the wide range of shops and businesses taking part.

Getting Started

To be part of the scheme and start getting your rewards, all you do is buy a £5 card from any one of the participating outlets. This allows you to earn points with every one of the outlets and gives you access to each of their individual promotional offers!

Making Your Card Work for You

Use your card every time you shop at participating outlets or use their services. As you spend you build up rewards.

When you have enough points, you claim your reward from the business where the points have been earned.
